

The Holy Ground of Depression™

Being depressed or loving someone who is can be a lonely, confusing time of life. Questions flood our

minds like: How did I get here? Why is this happening to me? Why do I feel pulled apart? Most people see depression as a vaporous experience that comes

unexpectedly and leaves when it's ready. But is this all there is? And what do we do with our lives and hearts in the meantime?

What if depression is a place we reach when something inside is truly wrong and clamoring for attention? What if it's an opportunity to enter into the holy ground of our souls and explore places inside of us we never knew existed? Join us October 13-14 and discover that depression is a place where we can experience God in a unique way.

The conference will include two days of large group teaching and small group processing. Each small group will be led by a professional Christian counselor.

The Way to Healing™

Are you at a place in your life where you hoped to be further

along but you are not sure how to get there? Sometimes with God

or people in our lives, we desire closeness but seem stuck in patterns that leave us feeling isolated and alone. We feel guilt but want freedom, anger but want peace and joy. If you feel like you're hanging by a thread and nothing you've tried gives you the help you're looking for, you are not alone.

Instead of settling for the way life is, we invite you to join us for a weekend of healing and growth. We will explore the concepts of forgiveness, guilt, shame, anger, need, community, and intimacy with God, with the hope of giving you tools to deepen your relationships with God and others.

Conference Format

The conference will include three days of large group teaching and small group processing. Each small group will be led by a professional Christian counselor.

Speaker

Caleb Grover, M.A., M.Div., is a therapist on staff with Grace Clinic. Trained as a pastor and counselor, his biblical teaching impacts both the head and heart.

Date and Location

The conference will be held October 26-28, 2006 on the campus of The Episcopal Church of the Ascension in Orlando, Florida.

Offering Hope and Healing

Grace Clinic is a professional mental health counseling practice serving the Central Florida community and beyond. Working with clients of all ages, our counselors help guide both individuals and families to relational wholeness.

We believe that the best counseling isn't based on a number of steps or easy answers. It is a process that helps people identify where they have built a life apart from God and that calls them to authentic relationship with Him and with others.

If you would like more information about Grace Clinic or would like to schedule an appointment, please contact us at 407-539-0047. An assessment counselor will match you with the therapist best suited to assist you, explain our fee structure, and help you schedule an appointment.
